

9R

The 9R model features an M-LOK compatible aluminum handguard and 16.2" crowned barrel. Both a push button and paddle magazine release are standard. The 4.5" precision-welded top rail enables use of your favorite optic or the traditional iron sights (included). The fixed polymer stock includes a sling attachment point. The gun ships in a plastic rifle case with two 30-round magazines. Also available in California and New Jersey configurations which includes a polymer 10-round magazine.
